MAKE IT UNFORGETTABLE

Make your experience even more memorable when you include one of the following sessions in your wedding package!

An engagement session can help you feel comfortable with your photographers before wedding day. And the trash the dress session is an opportunity for you and your partner to connect with each other, and let loose in paradise!

To amplify your photo gallery and capture you and your guests in a variety of ways, think about including the events that surround your wedding day into your package. The rehearsal dinner, welcome party, and/or catamaran cruise are times when emotions are high, and you can include them as well.
